Committee Members Comments

Mr. Eckart – thanked everyone for coming out; Kaila Mungo really did something special; she will be the first girl in the State to have won a wrestling championship. This will be motivating to other girls for a long, long time and is a true inspiration; he is proud.

Mr. DeSilva – thanked all for coming out; what Kaila did was amazing in only four months. He thanked her parents for supporting and motivating her and her teammates and coaches.

Mr. Henley – thanked the department heads and his fellow Committee members. It was a wonderful accomplishment by Kaila Mungo. Addressing Ms. Burkley's comments, he feels like he and the Committee members are very easy to talk to. He is available for questions at any time; he also wants to move Westampton forward.

Ms. Hynes – has had the privilege of knowing Kaila for over a decade as well as her family. She is an amazing athlete and competitor.

Mayor Wisniewski – Kaila is someone to be proud of; he is impressed. He thanked Committeewoman Hynes for drafting the proclamation; it was very well written. He understands Ms. Burkley's concerns; there are opportunities for discussion at times other than at the formal business meeting. He believes that the Committee has been accessible to the residents and encourages them to contact the Committee. He thanked the department heads; keep up the good work.

There were no further comments and the meeting was adjourned at pm.
