

Certification for Adjoining Fences for Residential Pools

I, _____, will erect a fence between the properties at

(Block _____ Lot _____) and

(Block _____ Lot _____) and remove the existing
fence. I will maintain the fence as long as I own the property and there is a pool on either side of
the fence. Elimination of the pool on my property shall not relieve my responsibility to maintain
the fence between the two properties, as an existing barrier for my neighbors pool. The fence can
only be removed if both pools are eliminated. In the event I should sell the property the new
owners will bear these responsibilities.
