Open to public Comment

Nancy Burkley – thanked Wendy for her help regarding the blessing box; Linda Orsuto will put a bookcase in Lola's which is inside her store which conforms to the zoning code.

Dan Melendez, 102 Winstead Drive – was made aware of a new ordinance regarding the public parking lots; he was told he can no longer park the trailers from his landscaping business in the lots; it's his livelihood and he has parked them there for over 20 years. There are abandoned vehicles there and he understands this and they need to go but doesn't understand why he can't keep his trailers

where they have been for 20 years. Could the Township possibly do a permit process?

Committee Members Comments

Mr. Eckart – great job by the Public Works department; he appreciates it. He sent Mr. Melendez a message; they will get him an answer regarding the parking of his trailers.

Ms. Mungo – thanks to Nancy; she is glad she was able to work something else out. She thanked Public Works, the winter has been crazy; they've been doing a fantastic job, thanks for your service. She thanked Mr. Melendez for attending, hopefully they can find an answer.

Mayor Henley – the Township Committee was concerned with the abandoned vehicles; he doesn't want him to feel like he was singled out. Residents were complaining that the lots were getting out of hand; it needed to be cleaned up. With that being said, he is more than happy to speak to Mr. Melendez, he thanked him for voicing his concerns.

Motion to adjourn made by Ms. Mungo; second by Mr. Eckart. All were in favor.

There were no further comments and the meeting was adjourned.

Respectfully submitted,

Marion Karp, Municipal Clerk
