Committee Liaison Reports/Comments:

Committeewoman Burkley made a comment about how happy she is for the new school Superintendent to start, and provided a brief employment history. She commented that the Land Development Board meeting was cancelled due to an error in publication. She

hopes that in the future, the Land Development meetings are not scheduled on the same night as a Township Committee meeting. Nancy would also like to see better restaurants and food trucks come to Westampton Township, since we are lacking those types of amenities.

Committeeman Carr commented that the Master Plan was almost ready to be presented. Mr. Carr would also love to welcome in more food establishments into Westampton Township, and he is looking forward to Dickies BBQ that will be opening very soon.

Mayor Henley also commented on the food trucks, stating that people who have a food truck should definitely get in touch with Todd, the Director of our Recreation department, to try and set up times to open up their food trucks to the public in town.

All in favor to adjourn the meeting. The meeting adjourned at 7:18 PM.

Respectfully submitted,

Wendy Gibson, Acting Municipal Clerk
