May 2022 Fire Official's Report

Fire Inspections Conducted	25
Fire Safety Permits Issued	2
CSACMAPFEC Inspections	17
Fire Investigations Conducted	5
Plans Reviewed	2

During the month of May, twenty-five Fire Safety Inspections were conducted by the WTES Bureau of Fire Prevention. One of those Inspections revealed “dangerous conditions” that required the issuance of an Imminent Hazard order and/or the evacuation of the premises. Two Fire Safety Permits were issued during the month as part of an annual school event. Seventeen Certificates of Smoke Alarm / Carbon Monoxide Alarm / Portable Fire Extinguisher Compliance were issued as part of the Bureau of Fire Prevention’s Resale and Rental Compliance program. Five Fire Investigations were conducted during the month of May within Westampton Township. Three Fire Safety complaints were investigated during the month of May for dangerous storage and blocked egress doors with violations of the New Jersey Uniform Fire Code and Township ordinance cited.

Fire Marshal Knott assisted the Mount Holly Fire Marshal, the Burlington County Fire Marshal, and the Eastampton Fire Marshal with separate Fire Investigations in May. Bureau staff covered several shifts and responded to various calls for service due to manpower shortages throughout the month. Fire Inspection software continues to be updated while working on addressing vacant business properties. FM Knott attended the monthly meeting of the Burlington County Fire Marshal’s Association. The 2018 edition of the New Jersey Edition of the International Fire Code is nearing completion and will be submitted to the registrar for codification hopefully by the end of 2022.

LT Westdyk continues to inspect resale/rental properties for compliance. Chief Farnsworth and FM Knott will conduct those responsibilities during his absence. LT Iannacone, FF/EMT Vallery, FF/EMT Engle, and FF/EMT Washick continue conducting annual fire inspections and their associated reinspection’s as required by the New Jersey Division of Fire Safety. Two projects were reviewed this month by Bureau Staff for comment to the Land Development Board. We still await delivery of the 2021 Ford F-150 Fire Marshal vehicle.

Training Division

May 2022 Monthly Training Report

The month of May was another busy month of training for the WTES, which conducted a total of **201.5** hours of training at the Firehouse, online and off site at various training facilities. Some highlights of the training activities this month were:

- Drafting Operations at the Burlington County Emergency Services Training Center utilizing both Squad 2723 and Squad 2723. While it is somewhat uncommon for our department must draft from a static water source, we do have several locations within

Westampton where we could utilize this technique if needed.

- Our Firefighter/EMTs attended an in-house training program reviewing patient assessment and treatment for life threatening Respiratory Distress. The program was lecture and hands on, and our EMTs practiced utilizing our CPAP (Continuous Positive Airway Pressure) devices, Bag Valve Masks, Oral and Nasal Airway Adjuncts, as well as how to assist patients using Metered Dose Inhalers. This training

Westampton Township Emergency Services

Raising The Standard In Community Service

program was approved by the New Jersey Office of Emergency Medical Services so that our EMTs received two (2) Continuing Education Units towards their recertification, which its required to be renewed every three years.

- Firefighter/EMT Michael Wolfschmidt completed a 16-hour Pre-Hospital Trauma Life Support training program at Jersey Shore Trauma Center in Neptune.
- Lastly, this month we completed a long series of training events for our newest Full Time Firefighter/EMTs, Alexandria Fitzpatrick and Kevin Peirce. Every new Full-Time employee receives “Rookie Book”, which is a logbook of training sessions that the WTES has determined to be essential skills for our staff members. Completion of the Rookie Book is no small feat. Both Allie and Kevin have taken great initiative and worked diligently to complete every task assigned to them, and we are very proud of their accomplishment.

From: Public Works

Subject: May 2022 Department Report

Roads

Brush: Brush collection this month picked up 20.64 tons of brush. The volume of brush stayed consistent this month, Collection was completed in 5 days

Street Repairs: DPW has started street sweeping this month. As of last week, approximately half of the town has completed. They will be out daily till the street rotation is complete. DPW Received an urgent complaint from a resident via the Police Department, that the crosswalks in Lancaster Dr. were in desperate need of painting near the school. DPW promptly worked to re-paint all the intersections on Lancaster to ensure safe crossing for the school students. Heath Dr. was not painted because NJAW is paving the intersection after repairs were made to the water main last year.

Recycling: A normal flow of requests for new cans and lid repairs continue, DPW is currently out of new cans, new cans are on order through the county just waiting for them to come in. We are fine with lid replacements and will continue to service those requests in a timely fashion.

Leaf Collection: Leaf collection will resume in fall.

Grass: Grass cutting is moving forward in a timely fashion.

Snow: Snow season has been wrapped up for the season.

Facilities

Municipal Building: Rear panic bar was sticking. DPW attempted to fix the situation unfortunately were unable to, Clc Lock was called in to adjust door and make repairs. Quarterly inspection of the sprinkler systems at the municipal building took place also.

Sport complex\Parks: Sports complex maintenance is moving along smoothly no issues to report. DPW received a complaint from a resident about the condition of the park and playset at Spring Meadows Park. DPW accessed the situation and made the necessary repairs to make the playset safer, cleaned up the area, trimmed bushes, a few extra trash cans were installed, and removed a few diseased trees. There are a few repairs to the tennis court that need to be made and will be completed once the parts come in. An assessment of the other parks was also done and any repairs will be made in a timely fashion.

DPW Building: The shed that DPW is rehabbing is almost complete. The project is currently a secondary project and is mainly completed in off times. It will be wrapped up shortly.

Rec. Center: N/A

Firehouse: N/A

American Legion: DPW received a phone call from the post director that the sewer is backing up. DPW responded out and found the sewer main is clogged with roots. After attempting to clear the drain with a power snake to no avail, the decision was made to excavate the pipe. The blocked pipe was removed and replaced. Two days before Memorial Day weekend DPW cleaned up, trimmed bushes, mulched and replaced the flags ahead of the holiday ceremonies.
