OFFICER SPOTLIGHT: PTL. Josh Woods and K-9 Betty

Patrolman Joshua Woods has been with Westampton Township for over 10 years. He is a senior officer with the patrol Division and is a Field Training Officer. While training our newest officers he is also our newest K-9 officer. Along with his K-9 Betty who graduated from the Cape May County Sheriff's Office Bloodhound Academy in January of 2024. Together they serve the community of Westampton in many ways, but the most important being her ability to follow a scent trail. Betty is a 1 ½ year old Bloodhound, and this breed can follow a scent trail that is many days old. Her remarkable sniffing ability is due to approximately 230 million olfactory cells in her nose. Patrolman Woods (and all humans) only have 5 million olfactory cells! Betty's ability to follow a scent trail is utilized to find things like missing children, elderly, criminals - just to name a few!

When Betty isn't on a trail, you can find her and Ptl. Woods going for hikes and spending time with their family.
